Action Item A

Transportation Improvement Program (2019-2022) Amendments – Highway Projects

H.003047 PECUE LANE/I-10 INTERCHANGE

Amendment:

Add construction phase at a cost of \$28M STPFLEX at 80/20 and \$4M 100% LOCAL in FFY 2019 (match and local will be STBONDS)

This will only be funded if DOTD secures August Redistribution funds.

Background information:

- H.012290, Pecue Lane/I-10 Interchange Clearing and Grubbing (**referred to as Phase I**)
This project was let in April 2017 and is complete. This project included the environmental phase, right of way acquisition, and ramp clearing and grubbing and embankment for the future interchange and Rieger Road.
- H.013579, Pecue Lane/I-10 Interchange **Phase II**
This project was let in February 2019 and we expect that the contractor will be given Notice to Proceed this month. This project includes the construction of new Pecue Lane bridges over I-10, demolition of the existing Pecue Lane bridge over I-10, construction of a Pecue Lane detour road, right of way acquisitions, and utility relocations.
- H.003047, Pecue Lane/I-10 Interchange (**referred to as Phase III**)
This project includes the construction of the remaining Pecue Lane (between Jamestown Boulevard and Old Pecue Lane), I-10 ramps, new Ward Creek bridge, KCS railroad crossing, and Rieger Road extension/servitude. This project will result in the completed Diverging Diamond Interchange (DDI).

H.011496 QUAIL DR: TURN LANE AT PERKINS (LA 427)

Amendment:

Remove Utility phase

H.012587 I-10: W END OF BR 290 - W END OF LA 415

Amendment:

Construction phase is now \$16.5M NHPP at 90/10 in FFY 2021

H.013755 I-10: NICHOLSON – ACADIAN R/W ACQUISITION

Amendment:

ROW phase is now \$1M NHPP at 80/20 in FFY 2019

Background information:

The early acquisitions project H.013755 was set up when we only had one known Historic building in close proximity to the project. SHPO has since established the Eddie Robinson, Sr. Historic District, added two proposed (Old South Baton Rouge & Hundred Oaks) historic districts and a business grouping (Perkins Road) that prevents us from purchasing any of the properties until achieving Section 106 mitigation and environmental clearance. I reduced the cost to \$1M so we could acquire the full vacant lots. As of today, we have not been given the ok to purchase any of the vacant lots.

CATS and CRPC will consider comments and views received, including those of private transportation providers, in preparing the final POP; and a final POP will be made available to the public. The proposed program will be the final program unless comments are received. The TIP notice of public involvement activities and the time established for public review and comment satisfies the Federal Transit Administration program of projects requirements of the Section 5307 and other Federal Programs. Copies of these proposed documents are available for public review and comment at the office of the Capital Region Planning Commission (CRPC) located at 333 North 19th, Baton Rouge, La. between 9:00 A.M. and 12:00 P.M. and 1:00 P.M. and 4:00 P.M. on Monday through Friday. This program of projects and Transit TIP Amendments can also be viewed at www.crpcla.org. Written comments may also be made to the CRPC, 333 N 19th St, Baton Rouge, La. 70802. Documents will become effective after the required public review and comment period has been met. Dates that official public hearings/meetings will be held are as follows:

Transportation Policy Committee (TPC) Meeting Date: The Transportation Policy Committee will meet on June 12, 2019 from 1pm until 2pm at the BREC Commission Chambers, Room 1800, on Florida Blvd.

ADA Notice: CATS and CRPC meetings are conducted in accessible locations and provision can be made for those persons of limited English proficiency. For special accommodations for meetings, contact Jeanette Eckert via phone 225-346-5547 or email her at JEckert@brcats.com at least one week in advance.

Title VI Notice: CATS and CRPC fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities. For more information, or to obtain a Title VI Complaint Form, contact Garrick Rose, CATS Director of Planning and Program Development via email at grose@brcats.com.
