23 Nov	Thanksgiving					

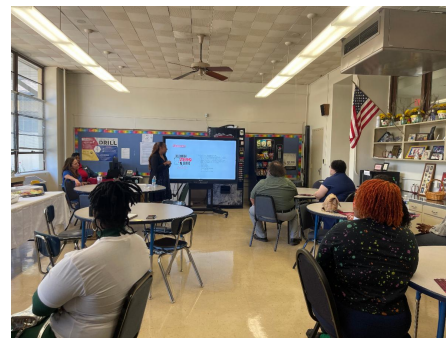

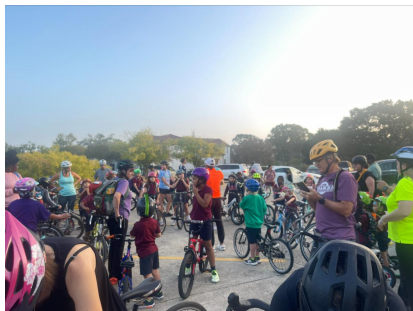

**Schedule a presentation or event**

What have we been up to in Capital Region..

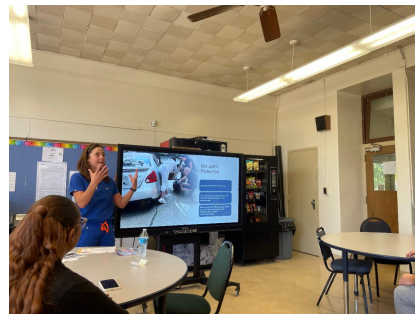

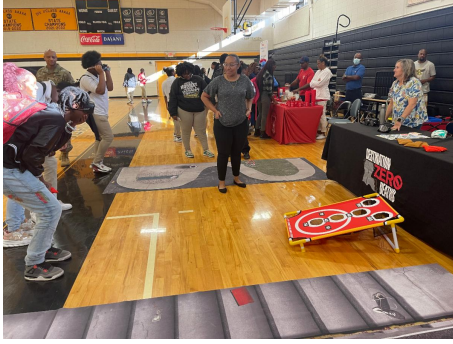

**BIKE TO SCHOOL with FLAIM:** The Safety Place invited CRTSC to Bike To School Day and helped educate students on bicycle transportation safety and awareness. Children of FLAIM were able to enjoy a cool fall bike ride to school with their own special personnel protecting them from every way.

A view of our Southern University Homecoming Tailgate Partnership with Humana and Southern University A&M College- Baton Rouge Alumni Federation. A huge thanks to our Occupant Protection and Distracted Driving team member Mrs. Chelsea Johnson from Humana Healthy Horizons for allowing us to partner and participate in this amazing event! What a great time we had educating our community on child passenger safety along with a demonstration to parents by Samantha from the Louisiana Passenger Safety Task Force.

**Prevention is key!** We partnered with ICARE to help assist with the education and prevention of fatalities and serious injuries on our roadways. We have went to schools to educate on traffic safety, distracted driving, and impaired driving. If you are interested in having Capital Region Transportation Safety Coalition at your school, don't hesitate to reach out!

We are so grateful to have been given the opportunity to talk to the parents of Southdown's Pre-K Center at their Parent Lunch & Learn about Occupant Protection and Distracted Driving. A huge thanks to ICARE Representative Mrs. Joy Duhon and Principal Scott for allowing us to come out and educate parents alongside of one of our amazing Occupant Protection Leaders Mrs. Danielle, who gave an amazing presentation with real experiences. We were able to give parents resources immediately concluding the presentation.

## Red Ribbon Week 2023- Be Kind To Your Mind

During Red Ribbon Week, various communities from the youth to the adults pledge around the nation to increase their knowledge of living drug-free by learning more about the destructive effects of drug abuse and commit to living a healthy, drug-free lifestyle. These amazing art pieces were created by Southern Laboratory Art Students and their teacher Ms. June. We were able to bring in our drug impaired goggles for students and faculty to try on to bring awareness and get a glimpse into the vision of an impaired person.

**3rd Quarter  
Updates  
Infrastructure and  
Operations  
Updates:**

2023 Infrastructure  
and Operations-  
3rd Quarter  
Updates

3rd Quarter 2023 Projects LET to  
Construction

**July**

H.013116 LA 20 Widen: LA 307 –  
S. Vacherie-Lafourche and St.  
James Parishes/SCRSC-RWD  
This project will widen LA 20 to 2-  
12' lanes and 8' shoulders on both  
side of the travel lanes, along with  
centerline raised pavement  
markers, centerline and edge line  
rumble strips. Additionally, the  
existing bridge will be replaced.  
H.013770 LRSP Signing and  
Striping (Iberia) – Iberia  
Parish/Acadiana Reg-RWD  
This Local Road Safety Program  
project
